20/21 August - Inaugural BSC Regatta

STRONG WINDS MAKE FOR TESTING SAILING

The best wind in many weekend's helped make the inaugural Broome Sailing Club regatta a resounding success with plenty of action and drama on the water.

With ten boats on the water, Saturday's start made for some interesting tactics with Miranda Dibdin and Jen John first across the line on Broome Time, a position they held to come in line winners in Race 1. Their closest competitor, Loi Odore on A Frayed Knot was forced to do two 360 penalty turns after he touched the mark not once but twice. In Class B, the monohulls were fighting it out over a shorter course, with Steve Simper the winner on his boat 'A Big Swelling'.

The race officer made the decision to run both of Saturday's races back to back to make the most of the north easterly breezes which have evaded the club for much of the season. This time Loi Odore on 'A Frayed Knot' was first across the start line and resisted tough competition from Broome Time and PH Balance to hold his position and take line honours for Race 2 in the catamaran category, with Steve Simper unstoppable in the monohulls.

Sunday's breezes were the strongest a few of the competitors had ever raced in, with some early exits and equipment failures to contend with as a result. A Frayed Knot and Broome Time were battling it out with both crews suffering some near capsizes and crew swinging on the trapeze, with Broome Time eventually stretching out the lead. Meanwhile in the Monohulls, Steve Simper just couldn't keep 'A Big Swelling' upright, capsizing 5 times and allowing John Dayman on Blue Bob through to take line honours in Race 3.

A Frayed Knot suffered a catastrophic equipment failure just after the finish, losing her mast due to a broken sidestay. That left Miranda Dibdin and Jen John on Broome Time to fight it out for line honours in the second race of the day with Sarah and Phil Liddiard on PH Balance. A big gust caught Miranda and sent her into the water but amazingly avoiding a capsize, which left PH Balance to sneak a win from under their nose in Race 4.

In the monohulls, equipment failure saw the Daymans also retire early on Blue Bob, giving Steph van der Hoek and Ashley Wilson their first taste of victory in the Club's Corsair.

At the prize giving ceremony on Sunday night, Club Commodore Miranda Dibdin thanked the sponsors, volunteers and all the participants for making the inaugural regatta a resounding success.

Catamarans: Overall winner:

- Miranda Dibdin and Jen John on Broome Time
- 2nd place: Loi Odore on A Frayed Knot
- 3rd place: Sarah and Phil Liddiard on PH Balance

Monohull: Overall winner:

- Steve Simper on A Big Swelling
- 2nd place: John and Lyle Dayman on Blue Bob
- 3rd place: Steph van der Hoek and Ashley Wilson on Club Corsair

Sunday 10 July - Race 7 & 8

Today proved to be top conditions for the six catamarans involved in BSC's two short races:

- Race 7 was held in 17kt winds, with our club Commodore, Miranda Dibdin, sailing *Broometime* (with a little help from crew Chase Lurati) having a very good start and then absolutely blitzing the fleet all the way through the race to cross the line 5 mins 4 secs ahead of her closest competitor, Stan Best on *Finistere*, closely followed by Loi Odore (*A Frayed Knot*).

Saturday 9 July - Adult Training (Lesson 3)

This was an interesting training day with winds 17kts but gusting to over 20, and one instructor (who shall be nameless) having multiple, unplanned, capsizes! It turned out that the Corsair was not watertight, and the inner hull filled with water - after the bung was removed, all was revealed!

Safety Officer John Collins took some photos of this group session back on the beach - these can be viewed

Sunday 26 June - Member's Coaching Clinic

Chase Lurati (a Gold Medallist at the 2010 ISAF Youth Worlds) provided BSC members with an excellent Coaching Clinic with information on tuning boats followed by on the water coaching in race starts, tacking, etc.. This session was of great value to the people who took part, and photos and videos can be found at the following locations:

Race 6 - 12 June

This day brought strong winds of 19 kts (gusting 23kts) and a large fleet of eight boats registered for this race, but one did not make it to the start. A wind direction change to the south-east made a very late course change necessary, but the race was able to start with only a five minute delay. It was an exciting start with most competitors being just on the line, but unfortunately a couple over it!

Unfortunately the course change that occurred after competitors were on the water appeared to confuse some competitors in the latter part of the race such that 3 boats were record as DNF - NB: the new course had been relayed simply as "Start on 1 with Triangle, Sausage, Triangle".

Brett & Jaime (*Rattle & Hum*) led at a blistering pace crossing the Finish line 10min 40sec ahead of their closest competitor and from start to finish always looked like winning. Photos of the race are at: https://picasaweb.google.com/BroomeWaters/2011_0612BSCRace6

Race 5 - 29th May

What a busy weekend for BSC volunteers: not only the final day of the Youth Training Course, but the first day of the Adult Training course, followed by Race 5 of the season - some people will be a little stiff tomorrow!

The race day could not have been better, with excellent winds and bright sunshine. The six starters had quite a tussle over the start line and positions changed several time during the course of the race. One boat hit a rounding mark (and had to perform a penalty, full circle,

turn) and another appeared to be heading off towards Perth (and needed the rescue boat to chase him). After a close fought race, Miranda Dibdin and crew Jen John (*Broometime*) crossed the line first. Photos are

Race 3 - 15th May

This day again brought light and variable winds, and as a result required a shortened course and no second race. There was a very exciting start with *Blue Chip* crossing the line half a length ahead of *Rattle & Hum*, which was half a length ahead of *Broome Time*. *Rattle & Hum* was a clear across the finish line winner by 7mins 5sec over *Broome Time*, but was unable to win on corrected time - well done to Sarah & Phillip on *PH Balance* for their commanding win over Brett (*Rattle & Hum*) on handicap. Week 2 of Youth Training - 8th May

On Sunday 8th May BSC conducted the second session of it youth training course. The day was cool, and brought very windy conditions which made everyone work very hard to keep the boats upright. Well, at least until it came to capsizing practice where the boat is deliberately tipped over. Great fun was had by all the trainees who really appreciated a touch of speed, but a bit warmer next time please! - see: https://picasaweb.google.com/BroomeWaters/2011_0508BSCYouthTrainingWeek2#

Race 1 - 1st May

On Sunday 1st May Broome Sailing Club held its first race of the season. It was a beautiful autumn day that saw 13

sailing boats on the water during the afternoon. BSC's Commodore (Miranda Dibdin sailing Broome Times) was first across the start line, but the first position changed several times during the course of the afternoon's race in light and variable conditions. The race was shortened due to the light winds and Miranda crossed the finish line in first place, beating the second boat (Brett Winfield sailing Rattle & Hum) by approximately one minute.

There was no second race due to the light conditions. Photos can be viewed at: <https://picasaweb.google.com/BroomeWaters>

March - some very busy folk getting ready for the season

Philip, Frank and John D have been very busy with maintenance & test sails during March. They have been working non stop ... almost every day doing work to get the club owned/borrowed boats in sailable condition. This included a big clean up of Tropical Upholstery's yard last Sunday. A big thank you, and well done lads. Photos
